

**PCPN# FY04-13 December 10, 2003 CITIDIRECT VERSION 3.4 RELEASE - UPDATE**

**Note: Level 3 APCs - IT IS YOUR RESPONSIBILITY TO GIVE THIS NOTICE WIDEST DISSEMINATION TO PROGRAM PARTICIPANTS TO INCLUDE APCs, AOs, and CHs IN YOUR HIERARCHY.**

Our office has received "What's New" and screen shot documents from Citibank for its recent webcasts which previewed the CitiDirect Version 3.4 changes to be released on 15 December. These documents have been posted on the DON eBusiness website at [www.don-ebusiness.navsup.navy.mil](http://www.don-ebusiness.navsup.navy.mil). At the website, go to the "Purchase Card" page and then look under "What's New". To view the documents, click on "What's New in CitiDirect Release 3.4 - December 15, 2003" and "What's New in CitiDirect Release 3.4 - Screen Shots of the changes".

Also APCs, PCPN FY04-05 issued by our office on 23 October indicated that Citibank was developing a web-enabled training product for its new ad hoc system (also to be released on 15 December). The latest word we received from the bank regarding this training product is that its availability has been delayed due to development changes that have occurred in the new ad hoc system. Our bank rep says that a training product may be available in PowerPoint format on Monday, the 15th. As soon as our office receives news of this product's availability, we will send notice to level 3 APCs for dissemination to their level 4/5 APCs.

Respectfully,  
The Financial Card Training Team
